**CP:R targets the time of transition where you can prepare yourself spiritually and mentally for what's ahead: college life. It gives you the tools and skills to establish yourself in Christ and to own up to the identity that you are a child of God. You're not going to find anything as unique and special as CP:R, and in this brisk time of transition, it only comes around once, so make the most out of it and take advantage of the opportunity ahead of you. My five days at CP:R has surpassed any expectations I could have had, and I consider my experience at CP:R valuable.** - Debbie L.

**"I rate CP:R a 10/10. ... I am committed to raising my spiritual baseline and strengthen my Faith"** - Bryan K.

**"CP:R was a valuable experience. It provided strong Christian values and practices to take into the realm of college (whatever chaos that might entail), as well as practical tips for properly managing your time. Being at CP:R is so revitalizing and convicting spiritually. Both family group and large group sharing fostered this sense of community as brothers and sisters of Christ. I would definitely recommend CP:R for incoming freshmen."** - Elise C.
